Re: Strategic Planning

Date: November 1, 1998

The strategic planning process, begun last January, is entering its final, crucial stages and your involvement is critical.

Enclosed with this memo you will find seven (7) strategic planning committee reports, appendices to the reports, and a 20 page Summary Report. The teaching faculty and professional staff have received the seven (7) reports and the Summary Report, but not the appendices. Please read the reports and participate in the discussion of these reports at a **Faculty-at-Large Meeting on Friday, November 13, 1998, 2:30 to 4:30 PM in the Seymour Union Ballroom.** A reception will follow in the Alumni House. This meeting on November 13 is expected to be the last of four (4) Faculty-at-Large meetings, and your involvement at this time will help insure that the strategic plans incorporate and reflect the best thinking of the faculty. Should you be unable to attend the Faculty-at-Large meeting, please direct your written comments to Colleen Donaldson before November 13.

Informed by that discussion, the strategic plans will be revised, where appropriate, and submitted to the Faculty Senate for review and recommendation to President Yu.
